

# 2022 Summer Associate Program

ABLE and LAWO

*Positions available in Ohio*

Advocates for Basic Legal Equality, Inc. (ABLE) and Legal Aid of Western Ohio, Inc. (LAWO) are pleased to offer Summer Associate positions for 2022. ABLE and LAWO are affiliated non-profit law firms serving northwest and west central Ohio that offer high-quality legal services in civil matters to low-income individuals and groups in order to achieve self-reliance, equal justice, and economic opportunity. ABLE is an unrestricted legal services firm.

ABLE and LAWO attorneys provide legal assistance in a wide range of civil areas. ABLE and LAWO represent victims of domestic violence, tenants facing eviction, homeowners in foreclosure, individuals seeking public benefits and appropriate healthcare, and students who lack appropriate educational opportunities. ABLE and LAWO attorneys handle individual cases and large-scale litigation in state and federal courts, and advocate on policy issues.

These positions provide valuable practical experience to students seeking careers in public interest law. In addition to traditional research and writing assignments, each Associate will receive training on the basics of poverty law and gain additional knowledge of legal practice through court observation and meetings with local attorneys and judges. Experienced attorneys will mentor Associates on how to excel in a public interest law career.
